COMMUNITY BUSINESS DIRECTORY

A comprehensive listing of
businesses and services
offered by members of our
Rangi Ruru Community.

WELCOME

to the Rangī Ruru Community Business Directory.

The community business directory has been established to create awareness of businesses owned and services offered by current families of Rangī Ruru. We hope it will encourage business support whilst also help create new or strengthen existing networks within our community.

When you walk through the gates at Rangī Ruru you become part of a close knit family bound by shared values and common experiences. A community that supports each other through the good

times as well as the more challenging times will be a stronger community. Rangī and you, together, stronger.

We invite you to register your business today. To be able to register your business you must meet the following criteria:

- *Be the parent or caregiver of student currently enrolled at Rangī Ruru Girls' School.*
- *Own, or part own the business being advertised.*

The Directory is listed alphabetically by business category.

Please note: The School has the right to decline any requested business listing that does not align with school values. Terms and conditions apply, please refer to these at the back of this directory. The Directory is free of charge to register and to use.
